EXT. CHEAPO RECORDS - MUSIC SHOP

LUCKY IS STARING AT HIS DREAM GUITAR THROUGH THE STORE DISPLAY WINDOW.

LUCKY
sighs

BROOKE

LUCKY
panic noises

BROOKE
You coming inside time?

LUCKY
Oh hey, I'm just window shopping

BROOKE
Again?

LUCKY
Again... Cool shirt.

BROOKE
Aww, that's sweet. Yea this is Donny's band

LUCKY
Dono, from high school?
(*to self*)
He has a band now?

BROOKE
He's playing an open mic tonight, you should totally come.

LUCKY
Yea no, I'll totally come! Maybe I'll play.

BROOKE
let's out a big chortle, cry laughter

Yea I've seen weirder things happen.

Brooke can't help but laugh because he must be joking. so FUNNY

LUCKY
Yea, so crazy... uh, I gotta go to

As if she is responding to Lucky's death wish

work. See you around BROOKE.
(*to self*)
god I wish I was dead.

BROOKE
Can't wait! I'll see you tonight.

LUCKY walks off mindlessly into the street

LUCKY
...when does the bus? *(cut off)*

He gets hit by a bus; the opening credits play.

EXT. PIZZA SHOP (LUCKY'S WORKPLACE)

LUCKY is flung onto the pavement by the bus.

LUCKY
(*to bus*)
muffled by pavement

Thanks for the ride!

being polite to the bus driver (sincerely)

INT. PIZZA SHOP (LUCKY'S WORKPLACE)

LUCKY walks up to Jason at the front desk.

LUCKY
Hey Jason, is BOSS in the office?

MANAGER
Huh? *(cutting off LUCKY saying Jason again)*

LUCKY
Umm nevermind, you just take it easy.

LUCKY takes a deep breath before entering the freezer.

BOSS
Bucky? What are you doing in here? We haven't put the cheese in here for ages... it's on the radiator.

LUCKY
Well I--

BOSS
mumbles

LUCKY
I'm hear to ask for--

Lucky is trying to approach the topic carefully until he blurts it out

BOSS
mumbles, mocking LUCKY's shy voice

That's what you sound like.

LUCKY
I wanted to ask for an advance!

BOSS
wheezes laughter Oh, you funny!

No, are ya crazy? you think your wage is sitting right under my desk? You stupid freaking kid. Your manager, Jason, he knows how things work around here.

It is!!

CUT TO THE MANAGER BEING HIGH

The MANAGER is so high he coughs and reveals himself from the weed smog.

LUCKY
That guy's my manager? → Lucky thought they were equals :(

BOSS
I give and I give and I give...

Your generation makes me sick, you know that? Ungrateful punks expecting everything to be handed to them. Oh wait, I have a favor to ask of YOU.

Name anything, ANYTHING in your life that matters more than this job. Try it. If you DON'T, I'll forgive you for wasting my precious time.

Boss is saying he will fire Lucky unless Lucky admits how miserable his life is :(

LUCKY freaks outs, knocks over filing cabinets and sets the freezer ablaze with gasoline, but it was a daydream.

LUCKY
Could you repeat the question?

BOSS
god you are useless. Now go deliver the pizza you're sitting on or you're fired.

LUCKY walks out the Pizza Shop.

LUCKY
See you around Jason.

MANAGER
insert SrPelo improv

Jason intends to make Lucky clean the resturant's public toilet in his stead. (grossest part of the job)

EXT. FIRE ESCAPE

LUCKY
Have a nice day.

The door slams on LUCKY post-delivery.

LUCKY
No tip, figures.

LUCKY looks down to find a guitar fretboard sticking out of the dumpster and gets wide-eyed.

LUCKY
No way!

LUCKY crashes down into the trash.

LUCKY
Don't be an acoustic, don't be an acoustic.

Type of guitar considered less cool

LUCKY tosses the broken instrument and discovers a briefcase, glowing and full of money

LUCKY
gasps

LUCKY sprints out of the alley with the briefcase full of money.

LUCKY
(shouts)
Yes, I'm rich! Woo-hoo!

Two THUGS approach the dumpster, one hops in.

THUG TWO
(out of breath)
Finally out-ran the Fuzz.

slang for Police & Fuzzy Socks

THUG ONE
Hurry up man, they'll be back any minute.

THUG TWO
Hey! I'm lookin' already, kay?

Very casual delinquent speech

THUG TWO tosses a bottle that smacks THUG ONE on the head

THUG ONE
Hey watch it!

THUG TWO
You put it here, right?

THUG ONE
Yea man! Now hurry it up!

THUG TWO
Well sounds like we're screwed because it ain't here.
you know what happens to people who mess with his money, don'tcha idiot?

A police siren blares. THUG TWO ducks down while THUG ONE tries to run away.

THE FUZZ ONE
Over there!

(OR)

Check that Alley!

THE FUZZ TWO
We found one!

THE FUZZ ONE chases in, tackles THUG ONE and begins to beat him with a nightstick silently.

THUG ONE
pain noises

THE FUZZ TWO
Wait, is he armed?

Because the police brutalise first and ask questions later

INT. MUSIC SHOP

LUCKY buys his dream guitar and flashes the cash to BROOKE.

EXT. BOSTON ALLEY AT NIGHT

LUCKY is walking down an alley, just off the train, at night with his precious, expensive, new instrument in hand.

LUCKY
mumbling directions to himself

open mic, open mic, hmm... maybe this way?

He nervously skirts past a homeless paper bag and takes a shortcut through a parking garage, guided by his phone app. A bottle rolls behind LUCKY getting his attention.

THUG FOUR
Whoa!

LUCKY
yelps

THUG THREE
Christ's sakes kid, calm down. We're not gonna hurt'cha

THUG FOUR
Probably.

THUG TWO falls to the ground; badly beaten, he coughs and gasps for air. DENVER approaches LUCKY, takes a drag of his cigarette and runs his fingers along the guitar's fretboard to intimidate LUCKY with an eerie sound.

DENVER
Nice strings.

LUCKY
Oh, thanks--

DENVER
takes a sniff, interrupting LUCKY

You smell like a pile of ****ing garbage. Earlier today some of my boys lost something of mine, in a pile of garbage.

Here we drop the only F-bomb in the film for greater impact

Now, call me crazy, but I have a feeling you know where that something went.

LUCKY
No, I was--

DENVER
interrupting LUCKY

And kid, I'm REALLY not worth lying to.

LUCKY books it out of the encounter and a chase begins.

LUCKY
(*panting*)
Left turn.

THUG FIVE
C'mon over here!

LUCKY looks down at the app, the next direction is "down"

LUCKY
Huh? *(confused)*

LUCKY's view tilts to reveal he's falling down a staircase.

LUCKY
screams

At the bottom of the stairs LUCKY gets up, pressing himself off the broken remains of his new six-string, just outside of the open mic venue. He takes a moment to collect himself, his dreams dashed just as quickly as they were given to him.

LUCKY cries.

THUG SIX
Hey, I heard something this way!

Shown on Screen

LUCKY continues the chase into the venue building.

THUG FOUR
(distant)
We will find you!

INT. THE SINCLAIR - OPEN MIC NIGHT

LUCKY maneuvers through the diverse crowd inside as the thugs give chase but get blocked off by the wall of people.

THUG THREE
If you slow down, we won't scratch your face!

LUCKY
(*panting*)
Oddly, specific.

LUCKY trips to the floor and pokes out of the audience at the foot of the stage as DONO is getting off after his performance(the chase music).

Fill background crowd noise with improv rock venue chatter

LUCKY
DONO?

DONO
Oh uh, hmm... who are you again?

LUCKY
DONO, it's me LUCKY, we went to high school together.

DONO
Oh I'm sorry I meet so many LUCKYs.

No one ever is named Lucky
Dono's generic response to his fans

THUG FIVE
(from afar)
Ugh, where's that kid!?

LUCKY keeps running at the threat of bodily harm and stumbles on stage, mistaken for the next act. He takes a deep breath, grabs a stage guitar and tries his luck.

In English someone heckles LUCKY with "Do you know Wonderwall?"

* A popular, but overplayed song that every guitar player knows.

LUCKY PLAYS A BALLAD FROM HIS DEEPEST FEELINGS AND DESIRES. ALTHOUGH BRIEF, WHEN HE FINISHES, LUCKY IS WELCOMED BY AN UNEXPECTED APPLAUSE WHILE IN THE LIMELIGHT.

BROOKE
Yo, LUCKY!

LUCKY
BROOKE!

LUCKY crashes to the ground and pops back up next to BROOKE.

LUCKY
Yo! BROOKE I-- I was wondering, would you wanna go on a date some time? With me of course!

BROOKE
Oh..

nervous laugh

haha, actually--

She had a girlfriend the whole time

BROOKE'S GF
smooches BROOKE

Babe, I been looking everywhere for you. Whoa, Brooke. You know this guy? You were seriously like so so rad dude!

Despite the blunt rejection, LUCKY is unphased. The compliment on his performance overshadows anything negative about this interaction. Plus this girl seems perky and nice

LUCKY
Wow, thanks.

A THUG from the chase gets behind LUCKY and knocks him over the head with a bottle, knocking him out of frame.

CUT TO CREDITS

Congrats, you are DONE
